Professional Summary

I'm an 18-year-old self-taught web developer from Maribor, Slovenia. I recently finished high school and am excited to start my journey at *The Faculty of Electrical Engineering and Computer Science* in Maribor this year. I have dedicated countless hours to learning and honing my web developer skills. Whether it's building **responsive** websites, crafting **beautiful** user interfaces, or constantly learning and experimenting with **new** technologies, I love every aspect of it.
